

SHAFEEQAH FRANCIS

Quality Assurance and Compliance Operations Professional | Insurance Service Operations | Audits, SOPs, Reporting and Process Improvement

PROFESSIONAL PROFILE	Structured, detail-focused operations professional with strengths in quality auditing, SOP compliance, reporting, documentation and process improvement. Comfortable coordinating across teams, tracking cases and workflows, escalating issues and turning recurring problems into practical improvement opportunities.
-----------------------------	--

CORE CAPABILITIES

QUALITY ASSURANCE Structured reviews, audit scorecards, evidence-based findings and clear feedback.	COMPLIANCE SUPPORT SOP adherence, records governance, exception tracking and reliable follow-through.	REPORTING Excel and KPI reporting, audit summaries and concise operational information.
ROOT-CAUSE ANALYSIS Recurring-issue identification, cause grouping and focused corrective actions.	OPERATIONS SUPPORT Case tracking, issue escalation, stakeholder communication and administration.	PROCESS IMPROVEMENT Current-state review, gap identification and practical consistency improvements.

PORTFOLIO DEMONSTRATIONS

Self-directed work samples using fictional data to demonstrate practical approach and job-ready thinking.

01 Service Quality Audit Scorecard Weighted review criteria, critical-failure tracking and a monthly KPI summary.	02 SOP Compliance Review Evidence checks, risk-rated exceptions, action ownership and closure tracking.
03 Recurring Issue Tracker Frequency and impact analysis that turns repeat issues into an action plan.	04 Case Escalation Workflow Priority triage, ownership, response targets and complete resolution evidence.
